The image displays architectural drawings and a 3D rendering of a residential building. On the left, there are two floor plans: the top one is labeled 'PENTHOUSES' and shows units 1 through 6; the bottom one is labeled 'FIRST FLOOR' and shows units 1 through 8. On the right, there is a 'GROUND FLOOR' plan showing a swimming pool and parking spaces. Below these plans is a 3D perspective rendering of the building, a multi-story structure with balconies and a pool area, set in a landscaped environment with palm trees and a clear sky.

Description

The project is conveniently located in the picturesque village of Dherynia, overlooking the captivating city of Famagusta.

The project consists of a single block of twenty two exceptional, one and two bedroom apartments.

Each apartment enjoys the privacy of its own remarkably large veranda, with uninterrupted panoramic views of the surrounding countryside and the Mediterranean sea. Each apartment has a private parking space.

The project is five minutes away from both Dherynia and Paralimni centres, fifteen minutes from the most amazing sandy beaches of Protaras and Ayia Napa and thirty five minutes from the Larnaca International airport.
