Description

Lavish and luxurious living beckons you to this outstanding development just off the coast of Latchi in Polis Chrysochous. Everything about this project makes a statement of taste, quality and style.

With four different villa types to choose from, RiviBV is made up of 17 detached three bedroom beachfront homes on large plots of land with private swimming pools built to the highest standards combining functional living and an attractive presentation. The architectural style of the villas is simple with a traditional Cycladic Greek-island influence of arches and shutters including a rooftop pergola where you can soak up the sun.

The complex is designed to include unobstructed sea views and is close to a full array of amenities including retail outlets, fish tavernas, restaurants, cafes, and coffee bars. The stretch of the Latchi coast boasts a yachting marina and a short drive inland brings you to the superb Tsada Golf Course.
