Description

The ChAlt apartments development is an ultra-modern stylish development located between Protaras and Paralimni in a quiet, residential area. The development consists of 20 apartments, all with private parking place. The golden sandy beaches of Protaras are 1.5km away (or 2 bus stops), whilst shopping and other amenities are at walking distance. The complex enjoys beautiful unobstructed sea views from the front, and views of Paralimni town from the back.

The development is ideal for permanent residence, as a holiday home, investment home or as an investment.

Protaras is a 30 minutes easy drive from Larnaca's International Airport and a favourable holiday location for all ages here in Cyprus. Famous for its long stretches of sandy beaches and crystal clear waters. The popular holiday making centers of Ayia Napa and Protaras, have been called a veritable paradise for anyone who loves the sea and water sports, since Cyprus enjoys perhaps the best type of Mediterranean climate with about 340 warm and sunny days around the year.
